The information indicates that the tank units of the 9th Mecz Div from Spremberg and Luebben were still in the Weisswasser training area in mid-September 1950. The artillery unit observed in 50X1-HUM Luebben is probably an organic component of the 91st Tank Ront. Comment. 50X1-HUM the barracks installation on "losterstrasse was vacant and the interpreter school had left, allegedly for Weisswasser and Potsdam.
Truck belonged to an AF unit. 50X1-HUM Comment. The maneuvers to start in the areas specified were pre-50X1-HUM sumably connected with the fall maneuvers scheduled in the Macdeburg-Dessau-littenberg area,
